

CURRENT OPPORTUNITY

Tax Accountant

A Collaborative Firm for Modern Professionals

ABOUT THE FIRM

Is it really possible to have a thriving career in a CPA firm and a healthy personal life?

Our industry is notorious for burning out its best talent. In the traditional business model for accounting firms, the focus is on billable hour volume which relies on working exhausting hours and being chained to your desk. This outdated approach leaves many professionals feeling overworked, overwhelmed, and quite frankly, underpaid.

At DePretis CPAs, we believe you should be able to have a rich and rewarding career in accounting without sacrificing the things that matter most in life. That's why we've said goodbye to the traditional approach and have embraced a new type of business model that allows our team members to thrive. With this new model, we are able to give our employees the flexibility, autonomy, and support they need to balance their commitments, maximize productivity, and grow their skillsets.

You don't have to choose between a thriving career in accounting or a healthy personal life. At DePretis CPAs, **you can have both.**

Tax Accountant

JOB OVERVIEW

We are looking for an experienced tax professional to be a key member of our team. In this role, you will work closely with clients to help them keep their tax liability as low as possible, while keeping them in compliance with government requirements.

In addition to providing excellent client service, this individual will work closely with the leadership team to develop new products and services that will empower our clients to succeed in business and take our firm to the next level.

This document outlines the key responsibilities, characteristics, and qualifications required for this position with our firm. If you think you may be a good fit, we invite you to submit your resume to the link on our website.

Key Responsibilities

TAX ACCOUNTANT

TAX ADVISING

- Develop creative solutions to minimize our client's tax liability.
- Advise clients on a wide range of transactions.
- Provide tax planning and compliance to a diverse base of clients in a variety of industries.
- Review corporate, partnership, trust, and individual tax returns.
- Research and consult on various tax projects.

Desired Candidate Profile

TAX ACCOUNTANT

Exceptional Communicator.

Someone with clear verbal and written communication skills. Someone who demonstrates thoughtfulness in the way they present information in order to bring clarity and reduce unnecessary confusion and stress.

Growth Minded.

Someone who is excited about new ideas, change, and possibilities. Someone with a genuine enthusiasm for lifelong learning. A creative problem-solver who rises to the occasion and welcomes a challenge.

Entrepreneurial Spirit.

Someone who is passionate about helping people succeed in business, including our own firm. Someone who enjoys brainstorming new ways that we can help our clients run their business with more clarity and less stress.

Candidate Qualifications

TAX ACCOUNTANT

Strong tax and accounting technical knowledge of pass-through entities, corporations, and trusts.

Minimum of 4 years of public accounting experience.

Bachelor's degree in accounting or tax, or Master's degree in accounting or tax preferred.

CPA or EA license preferred.
